

PERCUSSION STUDENTS

Percussion students need to have their own drumsticks, timpani mallets, marimba mallets and xylophone mallets. These items can be purchase through Steve Weiss Music at steveweissmusic.com

Please click on the stick and mallet pre-packs and go to The Bestseller Stick Pack #1. If you child owns some of these items you are welcome to purchase the other items independently. We just ask that you purchase the same items that come in the pre-pack. Students who own marching snare sticks can use those drum sticks on the marching drums but not on the concert equipment.

Students will need to have these items by the end of September. It is recommend that your child write their name on every mallet, stick and stick bag. Percussionists are expected to bring their bag back and forth to class every day.

\$89.95 Model: SW-BESTPACK1

The Bestseller Stick Pack #1 includes:

Vic Firth SD1 Snare Drum Sticks

Vic Firth SD1 American Custom Drumsticks are ideal for concert band, orchestral and rock work. The SD1 is a legendary practice drum stick. The stick is created from specially selected rock maple, which results in a fast-playing drum stick with great rebound and flex. Round Tip.

Innovative Soloist Series IP240 Medium Birch Marimba Mallets

The Innovative Percussion IP240 Soloist Series Medium Marimba Mallets are designed for general use on the marimba. The IP240 mallets feature 100% wool yarn, birch handles and hard rubber cores that help to create a full, rich tone and warm fundamental.

Malletech Bob Becker BB34 Medium Rattan Xylo/Bell Mallets "Becker Blues"

Malletech BB34 Bob Becker Series Xylophone and Glockenspiel Mallets are a medium-bright lightweight xylophone mallet with a clear, but not overly bright tone. Sometimes referred to as "Becker Blues" these mallets were designed for solo xylophone and are light, similarly weighted and easy to maneuver quickly around the instrument.

Vic Firth T1 American Custom General Timpani Mallets

The Vic Firth American Custom T1 General Timpani Mallets are for all-around playing. Produces rich sound yet is capable of rhythmic clarity. Vic Firth American Custom Timpani Mallets are turned from a single piece of rock maple, which eliminates a core that could rattle and the need for a screw-on washer to secure the head.
