

Band Parent Volunteer Opportunities

The band program consists of four concert bands, marching band, private lessons, three jazz bands, two jazz combos, pep band, winter drumline, winter guard, and band council. It takes a collaborative effort between parents, students, instructors and the director to make our program run.

We ask that all families volunteer for a minimum of 2 events per each ensemble in which your child participates. For example, if your child is in Symphonic Band and Jazz Band then your family should volunteer for 4 events. Most families find that volunteering with the band is fun, easy and a great way to show your child that you support them and their activities! We thank you for making this worthwhile and enriching experience possible for our kids and we mean it when we say, we could not do this without you!
